

	What have you accomplished since last scrum?	Are there any obstacles in the way of meeting your goal?	What will you accomplish before the next meeting?
Nick	Rework quick access table in SQL	Final Group Projects before the next scrum	Write Cucumber tests
Tong	Added stuff to grocery list page and manage list page	2 assignments due wednesday	
Chris	Grocery lists working.	CS356	Write some Travis tests.
Aahad	Created pagination, but unable to test because of SQL/Eclipse errors	SQL errors, Eclipse errors	Get pagination DONE
Kevin	Added reordering for lists; working on github crisis	Github crisis	Refactor user class, cache images
